## 😊 Raise Your Grade Contract 😊

**Directions:** Hand in this sheet with your original test. If corrections are completed, your parent/guardian has signed your test, and this sheet is filled out correctly you will improve your test score.

▶▶ This assignment is strongly encouraged if the test score is below 70 ◀◀

☀️ **You can get back up to 40% of the points you lost on each question.** ☀️

**Test Name and date:** \_\_\_\_\_

**Deadlines:** Corrections are due by \_\_\_\_\_  
(Extensions should be arranged ahead of time.)

**Original Test Grade:**

### **Tasks:**

**1. Neatly correct your test on a separate piece of paper:**

- Write out the correct answer only. **Show all work, even what you typed into the calculator to arrive at the answer.**
- If it is a written response, corrections must be **complete sentences**. Vocab should list word and written definition.
- If you don't know how to correct a question, seek tutoring with a math teacher.

**Remember:** The idea is to improve your math skills.

**2. On the back of this paper write down (2-5 sentences) what you plan to do differently to prepare for your next assessment.**

**3. Parent/guardian please look over the test and this completed sheet, then sign below.**

**Yes I have reviewed my student's test and understand the grade received.**
